

2025 BENEFIT GUIDE

January 1 – December 31, 2025

WELCOME

We are pleased to offer a comprehensive array of valuable benefits to protect your health, family and way of life. This guide answers some of the basic questions you may have about your benefits. Please read it carefully, along with any supplemental materials you receive.

Eligibility

You are eligible for benefits if you are considered Full-Time or Part-Time. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- Your legally married spouse
- Your biological children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply). Disabled children age 26 or older who meet certain criteria may continue on your health coverage.
- ****Eligible dependent children of two covered employees may not be enrolled as dependents of both Employees, whether the employees are married or not married.**

Coverage Begins

- **New Hires:** You must complete enrollment within 30 days of your date of hire. If you enroll on time, coverage is effective on the first of the month following your date of hire. If hired on the first day of the month, you are eligible that day.
- If you fail to enroll on time, you will NOT have benefits coverage (except for company-paid benefits) until you enroll during our next annual Open Enrollment period.

- **Open Enrollment:** Changes made during Open Enrollment are effective the first day of the following plan year.

Choose Carefully

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a qualifying life event during the year. Following are examples of the most common qualifying life events:

- Marriage or divorce
- Birth or adoption of a child—Please log into PlanSource to add your new bundle of joy even if you don't have the SSN yet.
- Child reaching the maximum age limit
- Death of a spouse or child
- Lost coverage under your spouse's plan
- You gain or lose access to state coverage under Medicaid or The Children's Health Insurance Program

Making Changes

To change your benefit elections, you must log into PlanSource within 30 days of the qualifying life event. Be prepared to show documentation of the event, such as a marriage license, birth certificate or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to change your elections.

ENROLLMENT

Go to <https://benefits.plansource.com>. There, you will find detailed information about the plans available to you and instructions for enrolling.

Required Information—You will be required to enter a Social Security number (SSN) for all covered dependents when you enroll. The Affordable Care Act (ACA) requires the company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

BENEFIT ENROLLMENT

PlanSource is our on-line enrollment tool. PlanSource allows you to elect your benefits on-line, view summary plan descriptions, view contact information for providers, make changes if you have a qualifying event during the plan year and access your benefit information when you need it. Enrollment must be completed on a computer as smart phones are not compatible.

Open Enrollment

- **Log In Instructions**
- To access your PlanSource account go to <https://benefits.plansource.com/>. Enter your User Name and Password. Your username for Plan Source will be LCMH + the first five digits of your employee number (Example: LCMH12345). Your passwords will be reset for open enrollment. The password will be your birthdate in the format YYYYMMDD (Example; date of birth is December 20, 1980, you would use 19801220 as your password).
- Once logged in select “Get Started”
- Once you have completed the enrollment, it is your responsibility to review your benefits for confirmation
- Print or email a copy of your enrollment for your records
- Complete your enrollment prior to the end of the “Open Enrollment” period
- Review the “Documents” tab for any documentation necessary to complete your enrollment.

First-Time Users (New hires and Status Changes)

- To access your PlanSource account go to <https://benefits.plansource.com/>. Your username for PlanSource will be LCMH + the first five digits of your employee number (Example: LCMH12345). Your password will be your birthdate in the format YYYYMMDD (Example: date of birth is December 20th, 1980 you would use 19801220 as your password). You will then be prompted to change your password.
- You must make your election or decline within 30 days of your hire date. If you do not make elections within 30 days, you will be considered to have waived coverage.
- Once logged in select “Get Started”.
- Once you have completed the enrollment, it is your responsibility to review your benefits for confirmation.
- Print or email a copy of your enrollment for your records.
- Review the “Documents” tab for any documentation necessary to complete your enrollment.
- *Please note, any and all correspondence from PlanSource will be sent to the email address provided to HR during your new hire orientation. If you need to update this information, please contact HR.

MEDICAL COVERAGE

Meritain PPO-4-Tier Network

Some PPOs offer tiered plans. Tiers—levels of benefits—give you greater control over how much you pay out of pocket and which providers you choose to see. The plan, provided through Meritain consists of four- benefit tiers:

- **Tier I:** The highest level of benefits and the most cost-effective for members. **LCMH Premium** providers are designated Tier I providers.
- **Tier II:** Members can select a provider from the broader network of contracted PPO providers, but at a higher out-of-pocket expense. **LCMH PPO** providers are designated Tier II providers.
- **Tier III:** Members can select a provider from the broader network of contracted PPO providers, but at a higher out-of-pocket expense and must be Committee Approved. **Verity/Aetna PPO** providers are designated Tier III providers.
- **Tier IV/Out-of-Network:** The member may select a non-participating provider. However, this option will result in incurring the highest out-of-pocket costs for covered services, as members are responsible for any difference between the covered expense and actual charges, as well as any deductible and percentage copay. **Out-of-Network** providers are designated Tier IV providers.

Meritain HDHP + HSA

The HDHP + HSA (High-Deductible Health Plan + Health Savings Account), provided through Meritain, is an insurance plan that typically offers lower premiums and higher deductibles. The highlight of this plan is that it allows you to open an HSA, which is a tax-advantaged personal savings account that lets you save pre-tax dollars to pay for any qualified health-related expenses (state taxation rules may apply). This includes most medical care and services, prescriptions, dental, vision and expenses related to meeting the plan's deductible. For a complete list of qualified health-related expenses, visit [Publication 502](#).

Individuals with HDHPs normally pay a lower amount each month but pay more on their yearly medical expenses before their insurance policy begins paying. You can visit any doctor, hospital or other health care provider you want, with greater cost savings in-network.

How You Pay for Services

You pay the full cost of prescription drugs and non preventive medical services until you meet the annual deductible.

Once you meet the annual deductible, you pay a percentage of your health care expenses (coinsurance), and the plan pays the rest.

Once your deductible and coinsurance add up to the out-of-pocket maximum, this plan pays the full cost of all qualified health care services for the rest of the year.

Pre-Certification Applies to Both Plans
Pre-Certification is required for all in-patient medical, surgical and mental health services, skilled nursing facilities, home health care, private duty nursing, out-patient surgical procedures (excluding surgery rendered in a physician's office), MRI, PET scans, CT scans, chemo, radiation, physical and occupational therapy, initial visit dialysis, transplants, transplant second opinions, and prescribed injectables and infusions with a cost over \$2,000.

MEDICAL COVERAGE

Utilizing Providers Outside of the LCMH Networks

Services rendered outside the Lake Charles Memorial Premium or LCMH PPO Network will require prior approval from the Medical Committee of Lake Charles Memorial Health System. Coverage is contingent upon the provider(s) participating in the Verity/Aetna network. If the service is available within the Premium or LCMH PPO network, approval **WILL NOT** be granted to go outside of the networks.

The Approval Process

If you need treatment that cannot be provided inside of the LCMH Premium or LCMH PPO network, you must first get a referral letter from your doctor to submit to the Lake Charles Memorial Health System Medical Committee. The letter needs to provide background information on your condition, what treatment is needed and to which provider(s) and facilities you are being referred. Referral letters should be sent to Human Resources via Fax # 337-494-6424 or email benefits@lcmh.com. Before submitting your referral to the Medical Committee, you are responsible for making sure the provider you choose is in the Verity/ Aetna PPO network. Claims will be considered out of network if your provider is not a Verity/Aetna provider. Please visit the Verity/Aetna provider website below to locate Verity/Aetna providers. You can also contact Meritain Health if you need help finding a provider.

*Please Note: You will no longer require prior approval to see a Verity/Aetna mental health provider for office visits. Claims will be covered at the Verity/ Aetna tier level of benefits.

Out of LCMH Premium and LCMH PPO Network Service Area Employees and Dependents

If you or your dependent live primarily outside of the Lake Charles Memorial service area, which is a 100-mile radius from the hospital located at 1701 Oak Park Blvd., Lake Charles, LA 70601, we understand that your residence may not be within reach of the LCMH networks. However, there are Aetna providers available to you. If you register yourself or your dependent on PlanSource as out of area, your claims for services rendered by an Aetna provider will be covered at the LCMH Premium level of benefits. You must provide proof of residency to Human Resources. Services rendered by a provider that is not in the Aetna network will be covered as out of network, 10% coverage after the out of network deductible is met. Please visit the Aetna provider website referenced at the bottom right corner of this page to locate Aetna providers.

Locating a Verity/Aetna Provider

If there is not a Lake Charles Memorial Premium or LCMH PPO provider that provides the services you are seeking, you can locate a Verity/Aetna provider in your area by visiting:

<https://www.goperspecta.com/PDN/lakecharles/public/ProviderSearch/Main>.

1. Key in the provider name, specialty or location the search field. Click the Search button.
2. The search results will be displayed. You will see a Network Affiliation box that will show which tier of benefits the provider or facility is part of. You can click the blue arrow to have this information sent to your mobile device. The provider or facility will be part of one of the following four tiers:

- Tier 1: LCMH Premium PPO
- Tier 2: LCMH PPO
- Tier 3: Verity/ Aetna Open Choice® PPO

Please remember, if the service is available within the Lake Charles Memorial Premium or LCMH PPO network, the services will be considered out of network elsewhere.

LIVING CONNECTED- DIABETIC CARE PROGRAM

Living Connected is the Diabetes Care Program from your insurance plan that gives you the right care, at the right time, in the right place...at home!

All diabetic oral and injectable medications, including insulin, are still covered through the pharmacy plan according to the pharmacy schedule of benefits.

IMPORTANT INFORMATION FOR INSULIN PUMP USERS

- Members on insulin pumps will go directly through the medical plan for pump component supplies, which are eligible and covered as durable medical equipment (DME). Just like all other DME, these supplies must come from a LCMH or Verity/ Aetna Open Choice network provider to be covered as in-network under the medical plan. All other providers will be considered out of network.
- In addition, if your pump must coordinate with a special meter and you cannot use the one provided through Living Connected, you can still purchase your meter supplies through Medical Plaza or Moss Memorial Pharmacy ONLY.

Call 1-800-966-2046 and speak with a Living Connected representative for more information on the diabetic program.

FLEXIBLE SPENDING ACCOUNTS (FSAs)

Available only with Medical PPO Plan Option. The flexible spending accounts (FSAs), provided through Meritain are tax-advantaged accounts that can help you cover certain qualified out-of-pocket expenses. FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you pay less in federal income, Social Security and Medicare taxes.

	Health Care FSA (HCFSA)	Dependent Care FSA (DCFSA)
Eligibility Requirements	You must be benefits eligible; enrollment in an HCFSA disqualifies you from making or receiving HSA contributions	Available to all benefit eligible employees
Examples of Qualified Expenses	<ul style="list-style-type: none"> • Coinsurance • Copayments • Deductibles • Dental treatment • Eye exams/eyeglasses • LASIK eye surgery • Orthodontia • Prescriptions • Menstrual Care Products 	<ul style="list-style-type: none"> • Care of a dependent child under the age of 13 by babysitters, nursery schools, pre-school or daycare centers • Care of household members who are physically or mentally incapable of caring for themselves and who qualify as your federal tax dependent
Annual Contribution Limit	\$3,300	\$5,000 per family (or \$2,500 each if you are married and file separate tax returns)

For a complete list of eligible expenses, visit www.irs.gov to view the latest publication release.

Important FSA Rules

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

- **You must enroll each year to participate.**
- **HCFSA:** Unused funds will **not** be returned to you or carried over to the following year.
- **DCFSA:** Unused funds will **NOT** be returned to you or carried over to the following year.
- **You can incur expenses through March 15, 2026, and must file claims by April 15, 2026.**

Scan this code to watch a video about how an FSA works.

HEALTH SAVINGS ACCOUNT (HSA)

Available only with HDHP Plan Option.

The HDHP features a type of savings accounts called a health savings account (HSA). The HSA lets you set aside pre-tax dollars to help offset your annual deductible and pay for qualified health care expenses.

Key Features of the HSA

Triple-Tax Advantage

You contribute funds pre-tax through convenient payroll deductions. This means the money comes out of your paycheck before income tax is calculated. So, you get to keep a bigger portion of your paycheck.

HSA funds grow tax free, and unused funds roll over year to year. So, the more you save, the more your account will grow—just like a bank savings account.

If you need to use your HSA funds, you can withdraw them tax free to pay for qualified health care expenses now and in the future—even in retirement.

Control

You own and control the money in your HSA. You decide how or whether you want to spend it. You can use it to pay for doctor's visits, prescriptions, braces, glasses—even laser vision correction surgery.

Investment Opportunities

Once you reach and maintain a minimum threshold, you can make investments to help your money grow tax free.

Savings Potential

Your HSA is like a "health care 401(k)." There is no "use it or lose it" rule. Your account grows over time as you continue to roll over unused dollars from year to year.

Portability

Your HSA is yours for life. The money is yours to spend or save, even if you change health plans, retire or leave the organization.

2025 Contribution Limits

Coverage Tier	2025
Individual	\$4,300
Family	\$8,550
Catch-up Contributions (age 55+)	\$1,000

Qualified Health Care Expenses

Qualified medical, dental and vision expenses not covered by the plans, as defined by the IRS in Publication 502 (<https://www.irs.gov/forms-pubs/about-publication-502>).

- COBRA premiums
- Qualified long-term care insurance and expenses
- Health insurance premiums when receiving unemployment compensation
- Medicare and retiree health insurance premiums (not Medicare Supplement premiums)
- Medigap insurance premiums

Important Notes

You must meet certain eligibility requirements to have an HSA: You a) must be at least 18 years old, b) must be covered under a qualified HDHP, c) must not be enrolled in Medicare and d) cannot be claimed as a dependent on another person's tax return. For more information, please refer to IRS Publication 969 (<https://www.irs.gov/forms-pubs/about-publication-969>).

Adult children must be claimed as dependents on your tax return for their medical expenses to qualify for payment or reimbursement from your HSA.

Scan this code to watch a video about HSA limits.

DENTAL COVERAGE

CIGNA PPO

The dental Preferred Provider Organization (PPO) plan, provided through CIGNA offers you the freedom and flexibility to use the dentist of your choice. However, you will maximize your benefits and lower your out-of-pocket costs if you choose a dentist who participates in the CIGNA network.

Following is a high-level overview of your dental plan options. For complete coverage details, please refer to the Summary Plan Description (SPD).

Key Benefits	DPPO	
	In-Network	Out-of-Network ¹
Deductible (Individual/Family)	\$50/ \$150	\$50/ \$150

RETIREMENT PLANNING

403(b) Tax-Deferred Contribution Account

All employees, including PRNs and in-house contractors, are eligible to participate in the LCMH 403(b) Tax-Deferred Contribution Account upon date of hire. Lake Charles Memorial Health System has made a conscientious decision to assist employees in saving for their future by enforcing an automatic enrollment in the 403(b) retirement plan at a 3% contribution level. What this means is that if a new employee does not personally enroll or decline participation, he or she will be automatically enrolled in the plan and automatically have 3% of his or her compensation for hours paid deferred into their individual account. Employees are immediately 100% vested in these contributions. **Newly eligible employees will have 90 days to opt out of participation in the plan and request reimbursement of their contributions.**

Since inception, our enrollment in the retirement plan has increased significantly which is our goal. We feel that as an employer, we have a responsibility to ensure that our employees take advantage of the benefits provided. If you were automatically enrolled and did not touch your plan by allocating funds or increasing/decreasing your contribution level, you will see an automatic increase of 1% to your contribution annually up to a maximum of 9%.

401(a) Account

Employees who participate in the LCMH 403(b) Tax-Deferred Contribution Account automatically participate in the LCMH 401(a) Retirement Planning Account quarterly, coinciding with or immediately following the date on which all eligibility requirements are met:

1. Completion of one (1) year of eligibility service, to include 1,000 working hours by the anniversary of your hire date.
2. Attain age 21.
3. Employed in a job classification covered by the Plan as an “eligible class.” You are in an “eligible class” if you are employed by LCMH in any capacity, and you are not a leased employee.

As a Defined Contribution Plan, LCMH will make a matching contribution to your 401(a) Account equal to 100% of the first 4% of your contribution to the 403(b) Tax-Deferred Contribution Plan, based on your hours worked and subject to the Federal Matching Contribution limits. The graded vesting schedule, as illustrated below, applies to the 401(a) Account:

Years of Vested Service	Vested Interest
Less than 2 yrs	0%
2 yrs, less than 3 yrs	20%
3 yrs, less than 4 yrs	40%
4 yrs, less than 5 yrs	60%
5 yrs, less than 6 yrs	80%
6 yrs or more	100%

LIFE INSURANCE/ AD&D

Life insurance, provided through MetLife provides your named beneficiary(ies) with a benefit following your death, while accidental death and dismemberment (AD&D) insurance provides a benefit to you following a covered accident that leads to dismemberment (such as the loss of a hand, foot or eye). Should your death occur due to a covered accident, both the life benefit and the AD&D benefit would be payable.

Basic Life and AD&D (employer-paid)

Coverage Tier	Benefit Amount
Employee	1.5 x your annual salary up to a maximum of \$500,000

Supplemental Life and AD&D (employee-paid)

Coverage Tier	Benefit Amount	Guaranteed Issue Amount
Employee	\$10,000 increments; minimum \$10,000, up to a \$500,000 maximum	\$500,000
Spouse	\$5,000 increments; minimum of \$5,000, up to a \$100,000 maximum (cannot exceed 50% of employee amount)	\$50,000
Child(ren)*	\$10,000	\$10,000

Note: During your initial eligibility period, you can secure coverage up to the Guaranteed Issue limits without the need for Evidence of Insurability (EOI, or information about your health). Please note that coverage amounts requiring EOI will only go into effect once the insurance carrier approves them.

*Eligible dependent children of two covered employees may not be enrolled as dependents of both Employees, whether the employees are married or not married.

VOLUNTARY BENEFITS

Our benefit plans are here to help you and your family live well—and stay well. But did you know that you can strengthen your coverage even further? It's true! Our voluntary benefits through Unum are designed to complement your health care coverage and allow you to customize our benefits to you and your family's needs. The best part? Benefits from these plans are paid directly to you! Coverage is also available for your spouse and dependents. You can enroll in these plans during Open Enrollment—they're completely voluntary, which means you are responsible for paying for coverage at affordable group rates. Please remember to verify and update your beneficiary designations each year.

Whole Life Insurance

You have the option of purchasing whole life insurance to help your family prepare for the unexpected. In the event of your death, this benefit can help replace your family's loss of income, help with mortgage costs or educational needs—or leave a legacy for the next generation. Whole life offers level premiums and insurance protection for as long as you live. Whole life policies also build cash value over time that grows tax-deferred and can be used as savings or it can be borrowed against if you need the money while you are alive.

Critical Illness

Most of us don't have an extra \$7,000 ready to spend—and even if we do, we don't want to spend it on medical expenses. Unfortunately, the average cost to treat a critical illness is just that: \$7,000. But with critical illness insurance, you'll receive a lump-sum benefit if you are diagnosed with a covered condition. You can use this benefit however you like, including to help pay for: treatments, prescriptions, travel, increased living expenses and more.

Hospital Indemnity Insurance

When you or a dependent need to be hospitalized, your family deserves to focus on their well-being, not the stress of the average three-day hospital stay, which can cost you \$30,000. Hospital indemnity insurance can help reduce costs by paying you or a covered dependent a benefit to help cover your deductible, coinsurance and other out-of-pocket costs due to a covered hospitalization.

Accident Insurance

Accident insurance can soften the financial impact of an accidental injury by paying a benefit to you to help cover the unexpected out-of-pocket costs related to treating your injuries. Some accidents, like breaking your leg, may seem straightforward: You visit the doctor, take an X-ray, put on a cast and rest up until you're healed. Treating a broken leg can cost up to \$7,500. And it's not only broken limbs—an average non-fatal injury could cost you \$6,620 in medical bills. When your medical bill arrives, you'll be relieved you have accident insurance on your side.

WELLSTEPS WELLNESS PROGRAM

Lake Charles Memorial Health System offers a voluntary comprehensive wellness program for all employees enrolled in the medical insurance. We are dedicated to supporting you and your family members throughout your journey to improved health and wellness. By choosing to participate, you can earn a discount on your medical insurance by completing wellness activities. If you choose not to participate in the program, you will pay the regular (Bronze Level) insurance rate for your medical insurance.

How it works:

Each year, starting in January, a list of wellness activities will be posted on your WellSteps account. Simply log on to your account at www.wellsteps.com/lcmh. There are two discount levels, Silver (lower) discount and a Gold (higher) discount. All of the activities to earn a Silver discount are required. To go above & beyond, earning a Gold Discount, you can choose from a menu of items listed on your WellSteps account. New activities will appear each month throughout the year. It is important to log on once a month and not wait until the last minute.

All wellness rewards activities are due the **last Friday of October**, no exceptions.

If you are a new hire or have never participated in the wellness program you need to REGISTER YOUR WELLSTEPS account NOW:

1. Go to www.wellsteps.com/lcmh and click "REGISTER"
 2. Enter your email address
 3. Complete the registration instructions
 4. Complete the Personal Health Assessment (PHA).
 5. Your username: LCMH + employee ID number (ex: LCMHI2345)
- **NEW HIRES:** You are a bronze level upon enrollment. If you complete the PHA within 30 days of the enrollment date of your medical insurance, you will receive the Silver discount for the remainder of the current year. Don't stop there! Inquire about what you can do to reach gold status for the following year.
 - Questions? Call the wellness department at 337-494-2882 or 377-494-2771 or view wellness jumpstart video at www.wellsteps.com/lcmh for more information.

PAID TIME OFF (PTO) AND EXTENDED LEAVE BANK (ELB)

It is the policy of Lake Charles Memorial Health System to provide compensated leave time to all eligible employees based on employment status and length of service. All full-time and part-time employees excluding those classified as temporary, contract, PRN, or 7/7 are eligible for paid leave benefits. Hours begin accruing effective with the date of hire or the effective date of a status change but are not eligible to use until the pay period following satisfactory completion of the ninety (90) day introductory period. This time can be used in increments of one (1) hour or more for planned and unplanned time off in accordance with departmental policy. The accrual schedule for full-time employee PTO is as follows:

Years of Service	Hours Accrued Per Pay Period	PTO Hours Per Year
1 to 5 full years	6.46 Hours	168 Hours
5 to 15 full years	8.00 Hours	208 Hours
More than 15 years	9.54 Hours	248 Hours

*PTO hours will carry over to the next year. The maximum accrual for each level is the equivalent of two years of an annual accrual, unless otherwise specified in a contract.

Option to Redeem PTO Hours for Cash

Lake Charles Memorial will now allow employees that meet the established criteria to “Sell” up to 80 hours of PTO once a year. You must leave a minimum of 80 hours in your bank for future needs. Example: If you have 145 hours of PTO, you can redeem 65 hours for cash which will leave 80 hours in your bank. **The hours you elect to be paid for will be compensated at 75% of their value.** Please reference the LCMH PTO Policy for details.

The **Extended Leave Bank** is available to full-time and part-time employees. ELB hours cannot be utilized until 24 hours of PTO have been used, unless you are hospitalized or have a procedure requiring moderate (conscious) sedation.

Full-time employees accrue 9 days/72 hours per year or 2.77 hours per pay period with a maximum accrual of 320 hours. Part-time employees accrue PTO and ELB based on hours paid in the pay period.

*ELB hours will carry over to the next year. The maximum accrual for ELB is the equivalent of two years of annual accrual. Unlike PTO, ELB is NOT paid out upon termination of employment.
